THORACIC SURGEON
Associate Professor of Mashhad University of Medical Sciences

Education

Medical Doctor:	Mashhad University of Medical Sciences	1987 to 1994
General Surgery:	Mashhad University of Medical Sciences	1995 to 2000
Thoracic Surgery:	Tehran University of Medical Sciences	2002 to 2004

MD Thesis: The Ten Years Retrospective Study of Blunt Chest Wall Trauma in Mashhad Qhaem Hospital.

General Surgery Thesis: Two papers published in medical journal of Mashhad University of Medical Sciences,

- Study of 186 bronchiectatic patients who have been operated on from 1357 to 1376 at Quaem hospital, Medical Journal of Mashhad University of Medical Sciences, Vol 42, No 64, 1999, page 62-69
- The Report of two cases of Mediastinal Paraganglione, Medical Journal of Mashhad University of Medical Sciences, Vol 42, No 64, 1999, page 106-114

General Thoracic Thesis: The Result of Tracheal Stenting in Treatment of Sever Tracheal Stenosis in Tehran Valiasr Hospital, 2002 and 2003.

Passed the following courses at Sina, Imam Khomeini and Shariati Hospital (while studying at Tehran University of Medical Sciences):

- | | | |
|----------------------|-----------------------------|-----------------------------------|
| - Esophageal Surgery | - Pulmonary Cancer | - Bronchoscopy (Rigid & Flexible) |
| - Tracheal Surgery | - Mediastinal Tumor Surgery | - Pulmonary Resection |
| - VATS | - ICU | |

18. **Carcinoid tumor of trachea: A Case Report**, Rajabi M, Tohidi M, Bagheri R, The Iranian Journal of Otorhinolaryngology, vol. 19 no. 49 , 2007 , page 157-160
19. **Clinical results of thymectomy in Myasthenia Gravis patients – twelve year experience (1993 to 2005)**- Sadrizadeh A. MD, Forooghi poor M. MD, Bagheri R. MD, Amini M. MD, Bavafa Toosi S. MD The Iranian Journal of Otorhinolaryngology, vol. 19 no. 50 , 2008 , page 179-184.
20. **Esophageal lyeiomyomathosis, A case report**, Abdollahi A, Bagheri R, Maddah Gh, Ghafarzadegan K, Tehran University Medical Journal, vol. 66 no. 6 , 2008 , page 237-241.
21. **Comparative study of cervical esophagogastrostomy with or without partial funduplication in esophageal carcinoma**, Rajabi Mohamad taghi, Bagheri Reza, Faghanzadeh Ganji Ghasem, Shojaeian Reza, journal of Mashhad University of Medical Sciences, Vol. 51, No. 99, 2008, p: 41-44
22. **Adenoid cystic carcinoma of trachea**, Dr. Reza Bagheri- Dr. Seyed Hosien Fatahi Masum- Dr. Nemat o-llah Mokhtari Amir Majdi- Dr. Mohammadbagher Rahim, Tanaffos journal, no. 7 , 2008, p: 49-54
23. **The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma**- Bagheri R, Tavassoli A, Shojaeian R, Rajabi Mashhadi M, Shahri F, Sadrizadh A, Interactive CardioVascular and Thoracic Surgery, Vol. 9, No. 2, 2009, p: 195–198
24. **Malignant superior vena cave syndrome. Is this a medical emergency?** Bagheri R, Mohammadbagher R, Rezaeetalab F, Akbari H, Shojaian R, Annals of Thoracic and Cardiovascular, Vol. 15, No. 2, 2009, p: 89-92.
25. **Primary Pulmonary haemangiopericytoma**, Dr. Reza Bagheri- Dr. Fariba Rezaeetalab - Dr. Mahmoud Kalantari- Dr. Mohammad taghi Rajabimashhadi, Tanaffos journal, no. 2 , 2009, p: 59-63
26. **Malignant pleural mesothelioma: Clinicopathologic and survival characteristic in a consecutive series of 40 patients**, Bagheri R, Haghi Z, Rahim M , Attaran D, Silanian Toosi M, Tehran University Medical Journal , Vol. 67, No. 2, may 2009, p: 137-145
27. **The result of surgical treatment of proximal long segment post intubation tracheal stenosis and the role of bilateral hyoeid bone cutting with superahyoeid release technique** , Bagheri R. Mjidi.M, khadivi. E, Tehran University Medical Journal, vol. 67 no. 7 , 2009 , page 483-488

28. **Bone marrow involvement in esophageal cancer patients whom underwent surgical resection**, Dr. Maddah Gh, **Dr. Bagheri R**, Dr. Saeidi Saedi H, Dr. Sadeghian Mh, Dr. Roodbari S, Gilan university medical journal, vol. 18. no. 72, 2009, P: 1-7
29. **Surgical management of bronchiectasis; Analysis of 277 patients**, **Dr. Bagheri R**, Dr. Haghi S. Z ,Dr. Fattahi Masoum H, Dr. Bahadorzadeh L, thoracic and cardiovascular surgeon, 2010; 58: 1–4
30. **Pulmonary Hydatid Cyst: Analysis of 1024 cases**, **Dr. Bagheri R**, Dr. Haghi S.Z, Dr. Amini M, Dr. Fattahimasom A.S, Dr. Noorshafiee S, Tehran University Medical Journal, vol. 68 no. 3 , 2010 , page 196-202
31. **Tracheobronchopulmonary Carcinoid Tumors: Analysis of 40 patients**, **Dr. Bagheri R**, Dr. Rajabi Mashhadi M, Dr. Haghi S.Z , Dr. Sadrizadh A, Dr. Rezaeetalab F, (Accept for publication Annals of thoracic and cardiovascular surgery).

Subject, Place and Date of the Conference

1. Iranian Thoracic Surgery Society Conference in Massih Danveshvary Hospital in Tehran, December 2004 **Subject: Thoracic Outlet Obstruction.**
2. Iranian Thoracic Surgery Society Conference in Massih Danveshvary Hospital in Tehran, October 2004 **Subject: Thymoma.**
3. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran May 2005 **Subject : The role of tracheal stenting in the alternative treatment of tracheal stenosis**
4. 9th Turkish Thoracic congress ,Kemer ,Turkey,19 to 23 April, **Subject :Anterior transcervicothoracic approach for complete resection of cervico thoracic mediastinal tumors,Poster presentation**
5. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran May 2006, **Subject :Anterior transcervicothoracic approach for complete resection of cervico thoracic mediastinal tumors,Poster presentation**
6. 4th Croatian Congress of surgery with international participation, Croacia, Zadar, 24-27 may 2006,
1) **The role of tracheal stenting in the alternative treatment of tracheal stenosis**
2) **The study of 22 cases of mediastinal tumors in children with acute respiratory manifestation**
7. European respiratory society, Germany, Munich, 2 -6 september 2006, **subject: Surgical Management Of Broncholithiasis Due To Tuberculosis With Hemoptysis: Experience With 5 Operated Cases**
8. Annual meeting of society for cardiothoracic surgery in Great Britain and Ireland, 11-14 March 2007, Manchester UK, **subject: Transhiatal versus transthoracic esophagectomy.**
9. European Respiratory Society 15-19 sep. 2007 Stockholm, Sweden
1) **Transthoracic Versus Transhiatal Esophagectomy**
2) **"The role of ultrasonographic guided transthoracic needle biopsy in diagnosis of peripheral lung mass"**
10. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran May 2007, **Subject :**
 - **Surgical Management of Broncholithiasis Due To Tuberculosis With Hemoptysis: Experience With 5 Operated Cases.**
 - **Transthoracic Versus Transhiatal Esophagectomy**
 - گزارش یک مورد لیومیوماتوزیس مری

11. 5th Congress of laparoscopy surgery, Iran, Tehran, Mars 2008, **Subject : The role of Video-assisted thoracoscopy in evaluation of undiagnosed pleural effusion**
12. 22nd EACTS Annual Meeting, Porteghal ,Lisbon 13-17 eptember,2008, **Subject : The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma**
13. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran May 2008, **Subject : Malignant superior vena cave syndrome. Is this a medical emergency?**
14. Iranian General Surgery Society Conference (mid season) Mashhad 2008,
 - **Esophageal surgery complication**
 - **Preoperative assessment of patients that candidate of elective surgery (chairman of panel discussion)**
15. CHEST 2008, October 25-30, 2008 , Philadelphia-USA, **Subject :**
 - **Malignant superior vena cave syndrome: is this a medical emergency?**
 - **The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma**
 - **Tracheobronchopulmonary carsinoid tumor: surgical management and long term outcome**
16. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran 2009, **Subject :**
 - **Malignant pleural mesothelioma: Clinicopathologic and survival characteristic in a consecutive series of 40 patients Transthoracic Versus Transhiatal Esophagectomy**
17. European respiratory society annual congress 2009, sep 12-16 2009, in Vienna, Austria, **Subject:**
 - **The role of thoracoscopy for the diagnosis of hidden diaphragmatic injuries in penetrating Thoracoabdominal Trauma**
 - **Malignant pleural mesothelioma: Clinicopathologic and survival characteristic in a consecutive series of 40 patients**
 - **Tracheobronchopulmonary carsinoid tumor: surgical management and long term outcome**
18. The international congress on pulmonary disease, intensive care and tuberculosis with the collaboration of European respiratory society (ERS), October 14-16, 2009, Tehran-Iran, **Subject :**
 - **Tracheobronchopulmonary Carcinoid Tumors: Surgical Management and long Term out come**
 - **- Adenoid cystic carcinoma of trachea**
 - **- Malignant pleural mesothelioma: Clinicopathologic and survival characteristic in a consecutive series of 40 patients**
19. Iranian General Surgery Society Conference in Iran Medical Science University in Tehran 2010, **Subject:**
 - **Bone marrow involvement in esophageal cancer patients whom underwent surgical resection**
 - **Surgical Treatment of Achalasia: Transabdominal Versus Transthoracic Cardiomyotomy**

Honors, Awards and Scholarship

- Graduated in 1994 as a General Physician – “Top of Class.”
- Accepted for General Surgery Program and worked as Chief Resident the last years and received Board Credentials in 2000 (General Surgery).

- In 2002, was accepted in Thoracic Surgery Subspecialty at Tehran University of Medical Sciences; worked as Chief Resident in second year and completed the course in 2004 - second place in the country.
- The best research scientist in mashhad university medical sciences (2008)

Qualifications

National Science Diploma (IRAN)

MD (IRAN)

National Board of General Surgery (IRAN)

National Board of Thoracic Surgery (IRAN)

Medical / Professional Experience

MASHHAD UNIVERSITY QHAEM HOSPITAL, Mashhad, Iran

2004 to Current

Assistant Professor

- Earned the Associate Professor title for innovative and effective teaching and training techniques.
- Full responsibilities for teaching and training general surgery residences (In theory and in action).
- Train medical student from within the university system and those attending other institutions as well.
- Manage and responsible for medical departments (Surgery rooms and clinics).

Associate Professor

- Upgrade from assistant professor to associate professor **11 March 2010**

FERDOUS CITY HOSPITAL, Ferous, Iran

2000 to 2002

General Surgeon

- Reorganized and managed Emergency Division that increased efficiency, patient service, and safety.
- Minimized risks and improved services to optimize patient care.
- Managed and planned training material and courses / classes for physicians.
- Planned and directed training material and courses / classes for staff "nurses."
- Performed successful and critical surgeries, with emphasis on cancer (i.e. Esophagus Cancer, Stomach Cancer, etc.), with patients complete recovery and satisfaction in a town with a population of 50,000 – the only hospital in the region with limited high tech medical equipment.

Ghaem Hospital, Mashhad, Iran

1996 to 2000

Imam Khomeini Hospital, Tehran, Iran

2002 to 2004

Chief Residency and Fellowship

- Earned Chief Residency by going above and beyond my line of duty and responsibilities:
 - Outstanding achievements on diagnosis, and patients care.
 - Excellent relationship with peers, nurses and patients.
 - Earned high levels of management respect throughout the hospital.
- During Thoracic Surgery Fellowship, solely managed the medical clinic, and took charge of staff training.

Executive Positions:

- Vice director of research committee in department of thoracic surgery mashhad university of medical sciences from 2008
- Vice director of education of intern and resident in department of thoracic surgery mashhad university of medical sciences from 2005
- Vice library of Ghaem hospital from 2005
- Vice website of Ghaem hospital from 2007

Professional Affiliations

- Member of Iranian General Surgeon Society

- Member of Iranian Thoracic Surgeon Society
- Member of European association for cardiothoracic surgery
- Member of society of thoracic surgeon (American society)
- Member of European Respiratory Society
- Member of endoscopic and minimal invasive surgery research center mashhad university of medical science
- Member of cancer research center mashhad university of medical science
- Member of lung disease and tuberculosis, research center mashhad university of medical science
- Member of National Iranian Committee of education of program in thoracic surgery
- Member of research committee mashhad university of medical science

Personal

Passport: Iran (B 1085968)

Male, Married, excellent health

Nationality: Iranian
