### Research:

| Title   | place                                  | year | Description |
|---|--|------|-------------|
| Yeild of Diagnostic wrist arthroscopy   | Massachusetts Hospital, Boston, USA    | 2004 | Done        |
| Dissatisfaction Criteria of patient undergoing carpal tunnel syndrome surgery   | Massachusetts Hospital, Boston, USA    | 2005 | Done        |
| Quality of life, health status and prevalence of musculoskeletal deformities in spinal cord injured patients from Iran-Iraq war in Khorasan Razavi Province | Orthopedic Research Center             | 2008 | Done        |
| Comparison of the results between endoscopic quadricepsplasty and open quadricepsplasty of Thompson and Judet in traumatic knee stiffness                   | Ghaem Hospital, Shahid Kamyab Hospital | 2008 | In Process  |
| Outcome of radial shortening in kienbock's disease admitted in Ghaem Hospital 1996-2006   | Ghaem Hospital,                        | 2009 | In process  |
| Long-term out come of Iranian veterans with bilateral lower limb amputation   |  | 2008 | In process  |
| Long Term outcomes of Leg-Calve-Perthes treatment in Ghaem Hospital   | Ghaem Hospital                         | 2008 | In process  |
| Closed interlocking intramedullary femoral nailing with application of a -----  | Orthopedic Research Center             | 2007 | In process  |
| Long-term clinical outcome of vatern amputees in Khorasan province  | Mashad University of Medical Sciences  | 2002 | Done        |

### Theses:

| Title  | place                                 | year | Description |
|--|---------------------------------------|------|-------------|
| Techniques and results of patients with infected and non-infected nonunion of long bone treated in the department of orthopedic surgery of Ghaem hospital between 2000-2007. | Mashhad University of Medical Science | 2009 |             |
| Unream versus ream intramedullary  | Mashhad University                    | 2009 |             |

|  |  |      |  |
|--|--|------|--|
| nailing of femur   | of Medical Science                                     |      |  |
| Outcome of radial shortening in kienbock's disease admitted in Ghaem Hospital 1996-2006              | Ghaem Hospital, Mashhad University of Medical Science  | 2009 |  |
| A retrospective survey of patients admitted with a benign bone tumor in Qaem Hospital from 1996-2006 | Ghaem Hospital , Mashhad University of Medical Science | 2008 |  |
| A 10 year report of chest wall deformities and tumors from Qaem Hospital, Mashad, Iran               | Ghaem Hospital, Mashhad University of Medical Science  | 2003 |  |
