

Curriculum Vitae

Mohammad Faraji Rad, MD Professor of Neurosurgery

Department of Neurosurgery,
Ghaem Hospital
Mashad University of Medical Sciences,
Mashad 9176653378, Iran.

Tel(O): +98 (511) 801-2469 **Fax(O):** +98 (511) 840-9612 **E-Mail:** Farajirad@yahoo.com
Farajim@mums.ac.ir

EDUCATION

- **Subspecialty in Neurovascular**, 1990
University Of Medical Sciences, Hannover, Germany.
- **National Board in Neurosurgery** (Board Certified **first rank**), 1985
Tehran University of Medical Sciences, Tehran, Iran
- **Medical Doctor**, 1980
Mashad University of Medical Sciences (MUMS), Mashad, Iran

CERTIFICATION

- **Certification in Endoscopic Neurosurgery and Functional Neurosurgery** from London, UK
- **Certification in Neurovascular** from Germany
- **Board certification** (National Iranian Neurosurgical Board Certification)

SCHOLARSHIP

- **FLSP in Endoscopic & Interventional Neurosurgery**
Awarded by Ministry of Health and Medical Education,
King's Collage Hospital, London, UK, 2002

POSITIONS HELD

- **Professor of Neurosurgery**, July 2005 – Present
Ghaem Hospital, Medical School, Mashad, Iran
- **Associate Professor of Neurosurgery**, 1997 - 2004
Vice Chairman of Education and Training of
Neurosurgery Residency Program, Ghaem Medical Center
University of Medical Sciences, Mashhad, Iran
- **Assistant Professor of Neurosurgery**, 1985 – 1997
Ghaem Hospital Medical School, Mashad, Iran
- **Resident in Neurosurgery Training Program**, 1981 – 1985
Shariati Medical Center,
Tehran University of Medical Sciences, Tehran, Iran.
- **Resident in Neurosurgery Training Program**, 1980 - 1981
Ghaem Hospital Medical School,
Mashad University of Medical Sciences, Mashad, Iran
- **General Physician**, 1979 - 1980
Emergency Clinic of Torbatjam Hospital,
Torbatjam, Iran.

EXPERIENCES

- As a Professor of neurosurgery in Ghaem Hospital Medical School, I
 - Taught neurosurgery diseases in this center performing conference about common neurologic problem in neurosurgery to nursing, medical students and residents teaching neuro-trauma to medical students and nurses.
 - Visited patients in OPD weekly for follow up.
- During fellowship in neurovascular at Hannover medical sciences (Hannover University of Medical Sciences, Germany), I have been
 - Trained and benefited from expertise and experiences of Professor Samii as visiting fellow there,
 - Involved in investigating a wide range of Neuro-Vascular diseases.
 - Trained in Neuroradiology and Microsurgery both in Hannover and Zurich and benefited from expertise and experiences of professor Yasargil.
- As a Nurosurgin in Emdadi Hospital Medical School, I have done:
 - Treated trauma patients in Emergency Neuro Trauma Department
 - Arranged workshop and conferences on common disorders in neurosurgery for students and residents weekly.
 - Attended in most research and education workshops on developmental

technology

- Served as chief of the Neurosurgical Ward to organize educational programs for residents and medical students.
- During my residency programs, first I started it in Ghaem Hospital of Mashad, and then I transferred to Sariat Medical Center (Tehran University of Medical Sciences). It coincided with the war, which provided me great experience in the treatment of battle casualties (many injured people were transferred to Tehran). I worked there with professor Abbasion, professor Rahmat, professor Kamali (neuropathologist).

RESEARCH EXPERIENCE

- Carried out research on Trigeminal Neuralgia treatments.
- Carried out research on Brain Abscess and its surgical treatments.
- Investigated Hemifacial Spasm and its surgical treatments.
- Carried out research on Chromosomal Abnormalities in Medulloblastoma.
- Carried out research on Chromosomal Abnormalities in Aneurysms.

CLINICAL INTERESTS

- Cerebrovascular Surgery: intracranial aneurysms, arteriovenous malformation, Bypass surgery, carotid artery disease, cavernous malformation

- Skull Base and Tumor Surgery : meningiomas, neurinoas and pituitary tumors

- Spinal Surgery: Disc, Tumors

RESEARCH INTERESTS

- Molecular genetics and biology of cavernous malformations and intracranial aneurysms
- Genetics of brain development
- Brain and spinal cord repair
- Flow assisted techniques for aneurysm surgery

THESIS ADVISED

1. Craniopharyngioma
2. Glossopharyngeal Neuralgia.
3. Brain Abscesses.
4. Anatomy Of V Nerve.
5. Bell's Palsy.
6. Facial Referral Pain.
7. Thrombosis Of Cavernous Sinus.
8. Traumatic Neuralgia.
9. Common Migraine.
10. Ophthalmoplegic Migraine.

11. CNS Infections.
12. New Method Of Treatment Of Trigeminal Neuralgia.
13. CT In Head Injury.
14. Medical Treatment Of Hypophysial Adenoma.
15. Pseudotumor Cerebri.
16. Macrocephaly.
17. Five Years Study In Brain Glial Tumors.
18. Brain Tumors In Children.
19. Medicine In Poem Mirror.
20. Hydrocephalus.
21. Diagnosis Of Disc Disease By CT.
22. 10 Years Study On Brain AVM.
23. 20 Years Study On Brain Hydatid Cyst.
24. 10 Years Study On Spinal Cord Tumors.
25. Lumbar Disc Disease
26. Thoracic Disc Disease
27. Methods Of Surgery In Hypophysial Adenoma
28. 10 Years Study On Spinal Tuberculosis
29. 5 Years Study On Skull Base Tumors
30. Disc Disease In Children
31. Epidemiology Of Head Injury In Children
32. 10 Years Study On Brain GBM
33. 10 Years Study On SAH
34. Atypical Pain Of Head And Face
35. Epilepsy And Brain Tumors
36. 10 Years Study On CSF Shunt Complications
37. 10 Years Study On CNS Malformations
38. 10 Years Study On Intra Cerebral Haematoma And Surgical Results
39. 10 Years Study On Acoustic Neurinoma
40. Study On Neurological Finding In Cervical Artherosclerosis
41. Cerebral Hydatid Cyst
42. Comparing Different Methods Of Surgery In Hypophyseal Adenoma
43. Hydrocephalus In Adults
44. Efficacy Of Methyl Prednisolone In Spinal Cord Injury.

45. Outcome In Spinal Dysraphism
46. Evaluation Of Radiographic Outcome Of Unstable Burst Fracture Of Dorsolumbar Spine In Kamiab Hospital Since 2004 To 2005.
47. Evaluation Of Treatment Result Of Pott's Disease In Patients Referred To Qaem Hospital During 1996- 2004
48. A Study About Spontaneous Intracranial Hemorrhage In Children Since 1995 To 2005 In Qaem Hospital

Publishers: Mashhad University of Medical Sciences, IBSN: 964-5627-25-7, 2002.

PRESENTATIONS

1. C.T Scan in Brain tumors present at the 1985; Firoozgar Medical Center, Iran University of Medical Sciences ,Tehran- Iran.
2. Paracellular Lesion, presented at the 1986 ; Firoozgar Medical Center, Iran

University of Medical Sciences ,Tehran- Iran.

3. Progeyria presented at the 1987; Firoozgar medical center, Iran university medical science, Tehran- Iran.
4. Carotid-Corneas Fistula presented at the 1987; Firoozgar Medical Center, Iran University of Medical Sciences, Tehran- Iran.
5. Role of CT in comatose patients in 1989 at the First Congress of Anaesthesiology and Reanimation at Mashhad University of Medical Sciences. Mashhad, Khorasan, Iran
2. Commissural Myelotomy for Lower Extremities Pain and Review and results of Cases. Presented in 1989 at the First Annual Meeting of the Iranian Neurological Society, Tehran University of Medical Sciences. Tehran, Iran
3. Transfacial Approach to Clivus in 1989 at the 3rd Skull Base Symposium in Tehran University of Medical Sciences, Tehran, Iran.
4. CT in Brain Tumors. Presented in 1989 at the First Iranian Congress of Radiology . Iran University of Medical Sciences. Tehran, Iran
5. Central Nervous System Tuberculoma. Presented in 1990 at the Iranian Congress Of Tuberculosis at Mashhad University of Medical Sciences. Mashhad, Khorasan, Iran
6. Evaluation of 50 patients with brain tumors by MRI- Presented in 1990 at the ORL Symposium in Tehran University of Medical Sciences.
7. Alexander Disease, presented in 1990 at the Annual Meeting of the Iranian Neurosurgical Society at Tehran University of Medical Sciences. Tehran, Iran.
8. Intramedullary Lipoma presented in 1990 at the Annual Meeting of the Iranian Surgical Society . Tehran.
9. Spinal Cord Hydatid Cysts. Presented in 1991 at Congress of Iranian Surgical Society, Iran University of Medical Sciences. Tehran, Iran.
10. CNS Infection in Battle Casualties. Presented in 1991 at the 9th European Congress of Neurosurgery in Moscow, Russia.
11. Hemi Facial Spasm, Presented in 1991 at Middle East and Egyptian

Neurosurgical Society Meeting in Alexandria, Egypt.

12. Neurosurgical Management of Pituitary Prolactinomas, presented in 1991 at the Annual Meeting Of the Iranian Association of Surgeons, Tehran, Iran.
13. Treatment of Pain and Spasm of Spinal Cord Injuries in Victims of the Iran/Iraq War Presented in 1991 at the Symposium of Paraplegia, Tehran University of Medical Sciences, Tehran, Iran.
14. Commissural Myelotomy in Complete Spinal Cord Injuries. Presented in 1992 at the First Iranian Congress of Rehabilitation Tavanbakhshi, University of Medical Sciences, Tehran, Iran.
15. Treatment of Facial Pain, presented in 1992 at the First Iranian Congress of Pain, Iran University of Medical Sciences, Tehran, Iran.
16. Cranio-Vertebral Junction Anomaly. Presented in 1993 at the Annual Meeting Of the Iranian Association of Surgeons, Tehran, Iran.
17. Neuro- Vascular Compression In trigeminal neuralgia. Presented in 1993 at the Annual Meeting of the Iranian Association of Dentist in Mashad University of Medical Sciences, Mashad, Iran.
18. Respiratory Disorders in CPA Tumors. Presented in 1993 at the Annual Meeting of the Iranian Association of ORL Surgeons in Tehran University of Medical Sciences, Tehran, Iran.
19. Referral Pain, presented in 1993 at the Annual Congress of Anaesthesiology and Reanimation at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
20. Trigeminal Neuralgia, due to CPA Epidermoid Tumor, presented in 1993 at the International Congress of Skull Base at Tehran University of Medical Sciences, Tehran, Iran.
21. Cerebrospinal Fluid Leak. Presented in 1994 at the Annual Meeting of the Iranian Association of ORL at Tehran University of Medical Sciences, Tehran, Iran.
22. Visual Outcome in Parasellar Meningioma, A report of 50 Cases. Presented in 1995 at the Annual Meeting of the Iranian Neurosurgical

Society at Tabriz University of Medical Sciences, Tabriz, East Azarbayejan, Iran.

23. Cervical Spinal Trauma. Presented in 1995 at the Trauma Symposium at Iran University of Medical Sciences, Tehran, Iran.
24. Thoraco–Lumbar Vertebral Fracture. Presented in 1995 at the Trauma Symposium at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
25. Parasellar Meningioma. Presented in 1995 at the Annual Meeting of the Iranian Neurosurgical Society at Tabriz University of Medical Sciences, Tabriz, East Azarbayejan, Iran.
26. Intracranial Cordoma, presented in 1995 at the Skull Base Symposium at Tehran University of Medical Sciences , Tehran, Iran.
27. Neuroentric Cyst. Presented in 1996 at the Base of Skull Symposium at Tehran University of Medical Sciences, Tehran, Iran.
28. Intracranial Hydatid Cyst, Presented in 1995 at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
29. Evaluation of Patients with Headache, Presented in 1995 at Mashhad University of Medical Science, Mashhad, Khorasan, Iran.
30. Head Injury, Presented in 1996, at Symposium of Trauma in Mashhad University of Medical Sciences Mashhad, Khorasan, Iran.
31. Intraventricular Tumors, Presented in 1997 Annual Meeting of the Iranian Association of Neusurgerical Surgeons at Tehran University of Medical Sciences, Iran.
32. Upper Cervical (Imaging and Decision Making in Surgery). Presented in 1996 at the 15th Annual Meeting of the Iranian Association of Surgeons in Tehran, Iran.
33. First Aids in Head Trauma, Presented in 1996 at Symposium of Trauma in Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
34. Lumbar Disc Disease(Imaging and Decision Making in Surgery). Presented in 1996 at the 15th Annual Meeting of the Iranian Association of Surgeons, Tehran, Iran.

35. Presented in 1996 at the Iranian Orthopaedic Association at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
36. Peripheral Nerve Entrapment. Presented in 1996 at the Annual Meeting of the Iranian Society of Neurosurgeons at Tehran University of Medical Sciences, Tehran, Iran.
37. Brain Tumors in Children. Presented in 1996 at the Neurosurgical Emergency Symposium at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran
38. Extradural Haematoma. Presented in 1996 at the Neurosurgical Emergency Symposium at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
39. Vascular Anatomy of the Brain. Presented in 1996 at the Neurosurgical Emergency Symposium at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
40. Nasoetmoidale Encephalocele, Presented in 1996 Annual Meeting of the Iranian Association of Neusurgerical Surgeons at Tehran University of Medical Sciences, Iran.
41. Intrasacral Meningocele, Presented in 1997 Annual Meeting of the Iranian Association of Neurological Surgeons at Tehran University of Medical Sciences, Iran.
42. MRI –Angiography In Neurosurgery, Presented in 1998, at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
43. Meningioma of Anterior Cranial Fossa. Presented in 1997 at the 3rd Skull Base Symposium at Tehran University of Medical Sciences, Tehran, Iran.
44. Treatment of Cerebrospinal Fluid Leakage. Presented in 1997 at the Annual Meeting of the Iranian Association of Surgeons at Iran University of Medical Sciences, Tehran, Iran.
45. Results of Hypophysectomi for Cushing Disease, presented in 1998 at the International Congress of Neurosurgery 1992 Athena ,Greece.
46. Neuroentric Cyst of Craniovertebral Junction, Presented in 1998 at Gilan University of Medical Sciences in Rasht, Rasht, Gilan, Iran.

47. Prevention of Disability Due to Head Injuries, presented in 1997 at the 1st Congress of Prevention of Disabilities in Mashhad University of Medical Sciences, Iran.
48. Surgical Causes of SAH, Presented in 1998, Symposium of Neurology, at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
49. Surgical Treatment of Epilepsy, Presented in 1999, Symposium of Neurology, at Mashhad University of Medical Sciences Mashhad, Khorasan, Iran.
50. Headache Due to Intracranial Mass Lesion , presented in 1999 at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
51. Classification of Pineal Region Tumors, presented in 2000 Annual Meeting of the Iranian Association of Neurosurgical Surgeons at Tehran University of Medical Sciences, Iran..
52. Otogenic Brain Abscesses, presented in 2000, at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran .
53. .Pineal Region Tumors. Presented in 2000 at the Annual Meeting of the Iranian Association of Surgeons in Tehran, Tehran, Iran.
54. Paediatric Disc Disease. Presented in 2001 at the Congress of Paediatric Orthopaedics at Mashhad University of Medical Sciences. Mashhad, Khorasan, Iran.
55. Glioblastoma Multiform, Presented in 2001 at 12th World Congress of Neurosurgery, Sydney, Australia.
56. Indications of Surgery in Lumbar Disc Disease. Presented in 2002 at the Low Back Pain Symposium at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
57. Medical Treatment in Acute Lumbar Disc Herniation. Presented in 2002 at the Low Back Pain Symposium at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
58. Lumbar Disc Herniation in Children, presented in September 2001, 12th World Congress of Neurosurgery, Sydney, Australia.
59. Intradiscal Approach in Disc Herniation. Presented in 2002 at the Low

Back Pain Symposium at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.

60. Surgery in CVA, Presented in 2002 at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
61. Lower Cervical Spinal Column and Cord Injuries and Management, presented in 2002 Annual Meeting of the Iranian Association of Neurological Surgeons at Tehran University of Medical Sciences.
62. Surgery in Abnormal Movement, presented in 2002 at The Symposium of Neurology in Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
63. Thrombosis of Anterior Spinal Artery. Presented in 2002 Annual Meeting of the Iranian Association of Neusurgical Surgeons at Tehran University of Medical Sciences, Iran.
64. Cervical Spine Injury, Presented in 2002 in International Conference on Spinal Cord Injury, Duravil, France.
65. Surgical Treatment of Pain. Presented in 2003 at Mashhad University of Medical Sciences Mashhad, Khorasan, Iran.
66. CSF Shunt Complications, Presented in 2001, at the International Congress of Neurosurgery, Hannover, Germany.
67. Prevention of Congenital Disability, Presented in 2002 at the 3rd Iranian Congress of Prevention of Disabilities in Mashhad University of Medical Sciences, Mashad, Iran.
68. Low Back Pain in Children. Presented in 2003 at Mashhad University of Medical Sciences, Mashhad, Khorasan, Iran.
69. Brain Abscess, presented in 2003 Annual Meeting of the Iranian Association of Neusurgical Surgeons at Tehran University of Medical Sciences, Iran.
70. Glossopharyngeal Neurinoma. Presented in 2004 at International Congress of Neurootology at Tehran University of Medical Sciences.
71. Intracranial Meningioma in Children, Presented in 2004 Annual Meeting of the Iranian Association of Neusurgical Surgeons at Tehran

University of Medical Sciences.

72. Intracranial Chondroma, Presented in 2004 at the 5th Asian Conference of Neurological Surgeons, Tangerang, Indonesia.
73. Early Outcome of Patients with Closed Cervical Spine Injury, a retrospective study of 48 cases, Presented in 2004 at The 22nd International Course on Clinical Neurosurgery, Hannover, Germany.
74. Unilateral Exophthalmos. Presented in 2006 at the 30th Annual Meeting of the Iranian Association of Surgeons, Tehran, Iran.

MEMBERSHIPS

- Iranian Association of Surgeons, member
- Neurosurgical Society of Iran, member
- Asian Committee of Neurological Surgeons (ACNS), member
- World Federation of Neurosurgical Societies (WFNS), member
- Neurosurgical Society of Germany, member

HONORS & AWARDS

- First rank in Iranian national board examination of neurosurgery-Iran 1985
- First rank among medical school graduates 1980
- Award for Best clinical researcher 2004
- Award for Best clinical researcher 2005

COMPUTER SKILLS

- Microsoft Office (Excel, Word, Power Point, ...),
- Windows Xp/2000,
- CorelDraw, Photoshop

LANGUAGE PROFICIENCY

- Persian,
- Turkish,
- English,
- German
